

Timesheet Pro 365

SEAMLESS TIME MANAGEMENT

Timesheet Pro 365 is an intuitive, cloud-based time tracking and project management solution that integrates seamlessly with Microsoft 365 tools like Outlook, Teams and SharePoint.

WHY CHOOSE US?

1

Simplified Time Tracking

Simplifies time entry with an intuitive interface for accurate recording.

2

Project-Based Tracking

Allocate time to specific projects, tasks improving billing accuracy and project management.

3

Approval Workflows

Streamlines the approval process with automated notifications for quick timesheet approvals.

4

Mobile and Remote Access

Allows employees to log hours from any device, ensuring up-to-date records.

5

Advanced Reporting

Generate customizable reports for payroll, tracking, and planning.

6

Alerts & Notifications

Sends automated alerts to keep the team on track with deadlines and milestones.

7

Seamless Integration with Microsoft 365

Integrates with SharePoint and Outlook for effortless workflow management.

8

Real-Time Reporting

Generate live reports to track project progress, employee performance, and resource allocation with interactive dashboards.

9

Data Security and Compliance

Ensures secure data storage with enterprise-grade encryption and full compliance with privacy regulations.

PLATFORM COMPARISON

When compared with other leading time-tracking tools, **Timesheet Pro 365** stands out for its exceptional value, flexibility, and enterprise-grade security - all without the per-user pricing model that most competitors follow.

Platform	Annual Cost (100 users)	Customizable	Unlimited Support	Data Privacy & Security
Toggl track	\$12,000+	✗	✗	✗
Timesheet 365	\$4,900+	Limited	✗	✓
Clockify	\$11,988+	✓	✗	✗
My Hours	\$10,988+	✗	✓	✗
Timesheet Pro 365	\$1499/- per yr	✓	✓	✓
